Tancredi 2007

Red - Nero d'Avola e Cabernet Sauvignon Sicilia IGT

The 2007 harvest was a bit below the average grape output, therefore only little thinning was required to obtain an excellent plant/grape balance in the vineyard. Made 70% of Nero d'Avola (harvested from September 4 on) and 30% of Cabernet Sauvignon (from September 6 on). Maturation for about 14 months in French oak barriques and tonneaux has enhanced its complexity. This Tancredi is ruby red with glints of garnet; scents of red fruits (especially cherry) merge with balsamic and tobacco notes. On the palate it reveals a fine and elegant tannic texture, softened by long refinement in the bottle (about 24 months). In the 2007 vintage Tancredi expresses, as always, remarkable personality and great ageing potential (10 to 12 years).

Alcohol: 13.35% vol. - Total acidity: 6.21 g/l - pH: 3.51
