Biancolilla 2021

The Pantelleria estate: the island of the sun and wind

Biancolilla 2021 is a delicate and lightly fruity monocultivar oil from Pantelleria of extraordinary elegance, characterized by a lightly fruity bouquet, with scents of ribbed tomato, aromatic herbs, rosemary, and thyme. A versatile oil that excels drizzled over fish, salads and generally in delicate dressings such as a gourmet mayonnaise.

Production zone: Pantelleria

Denomination: Extra Virgin Olive Oil

Cultivar: Biancolilla, a native Sicilian cultivar named after the color that the drupes become when ripe (white and lilac); it is resistant to the low rainfall that characterizes Pantelleria. According to the traditional method of pruning, the olive trees - many centenarians - are no taller than one meter high: from the trunk three or four branches radiate, creeping onto the ground so that the plant resists the windiness of the Island; the foliage expands horizontally reaching almost tens of square meters.

Harvest time: the olive harvest takes place at the beginning of veraison, when the accumulation of polyphenolic substances is at the highest level; the olives were harvested from between the 10th and 17th of October.

Harvesting method: manual stripping of the olives cultivated on terraced volcanic terrains, with pruning of the low branches towards the ground to expose the least leaf surface to the winds.

Extraction methods: milling immediately after the harvest by means of a cold extraction system, in a continuous cycle, that carries out the malaxation step (mixing the olive paste to facilitate the separation of the oil) in a controlled atmosphere, allowing you to best preserve the aromatic components.

Analytical data: Acidity: 0.16 %; Peroxide value: 7,5 meq O₂/kg oil; Total polyphenols (caffeic acid): 249 mg/kg

Tasting notes: Biancolilla 2021 has a light structure, it is delicate and of extraordinary elegance; the bouquet is characterized by a light fruitiness with scents of ribbed tomato, aromatic herbs, rosemary, and thyme.

Serving suggestion: a versatile oil that excels drizzled over fish, salads and generally in delicate dressings such as a gourmet mayonnaise.
