

## Tancredi 2011

**Mediterranean Elegance:** Great wines with a Mediterranean character, produced from international varieties

*Tancredi 2011 is characterized by an intense and fragrant bouquet, notes of dark berries intertwine with balsamic and spicy hints. A red that amazes with its pleasantness and elegance.*

**DENOMINATION:** Red - Sicilia IGP.

**GRAPES:** Cabernet Sauvignon and Nero d'Avola; Tannat and other varieties finalize the blend

**PRODUCTION ZONE:** South-western Sicily, Contessa Entellina Estate and nearby areas.

**TERRAINS:** altitude from 200 to 600 m a.m.s.l. (656- 1,312 ft); hilly orography; clay loam soils with a sub-alkaline reaction (pH 7.5 to 7.9) rich in nutritive elements (potassium, magnesium, calcium, iron, manganese, zinc) and total limestone from 20 to 35%.

**VINEYARD:** VSP (Vertical Shoot Positioning) training with spurred cordon pruning g, leaving 6 to 8 buds per plant. Planting density of 4,500 to 6,000 plants per hectare (1,822-2,429 an acre) and yields of about 5 tons (2 tons an acre); about 0.9 kg per plant.

**VINTAGE 2011:** with cool temperatures and rainfall concentrated in spring, 2011 was a vintage with less rain compared to the Sicilian average: from 1 October 2010 to 30 September 2011, 513 mm of rainfall was recorded, a figure that is lower than the average of the last 10 years (683 mm). Overall the vintage was less productive, with yields that were slightly lower than average.

**HARVESTING:** manual harvesting of grapes into crates with careful selection of the grapes in the vineyard. The harvest of the grapes destined for Tancredi began during the first week of

September with the Nero d'Avola and continued until the second week of September with the harvest of the Cabernet Sauvignon and Tannat.

**VINIFICATION:** A further selection is carried out in the cellar, thanks to a latest generation destemmer, able to discard the green and overripe berries that might still be on the clusters. Fermentation in stainless steel and maceration on the skins for 12 days at a temperature of 28 - 30° C (79 -86° F). Ageing for 14 months in new and old French oak *barriques* and then in the bottle for at least 30 months.

**ANALYSIS DATA:** alcohol 13.654% ABV, total acidity 6.6 g/l, pH 3.50.

**TASTING NOTES:** deep red, Tancredi 2011 offers an ample and intense bouquet, balsamic and liquorice notes intertwine with fruity aromas of dark berries and spicy hints of dark tobacco. The palate is fragrant and perfectly reflects the nose. The tannins are soft and well-integrated: a Tancredi 2011 that amazes with its pleasantness and elegance.

**AGING POTENTIAL:** over 10 years.

**FOOD & WINE:** it will find its best pairing T-bone steak, gourmet burgers and game. If served in large, big-bellied goblets it can be uncorked a few minutes before, otherwise a couple of hours earlier; excellent at 18°C (64° F).

**WHEN YOU DESIRE:** To live an intense sensorial experience. To share your good taste and culture. To live a moment of glamour. To enjoy beauty

**DIALOGUE WITH ART:** if you remember Alain Delon in the famous movie that Luchino Visconti made from Giuseppe Tomasi di Lampedusa's *The Leopard*, you will see that this wine reflects the elegance and ambition of that "revolutionary" man. The label refers to the wineries at Contessa Entellina but they are placed on a cloud as in a mirage, as in "*Viaggio a Donnafugata*," composed by Nino Rota for Visconti.
