

Donnafugata in Milan for Dolce&Gabbana Alta Moda

The Dolce&Gabbana Alta Moda events in Milan have now concluded, where a toast was made once again with Donnafugata wines.

Donnafugata wines have been chosen once again by **Dolce&Gabbana** for the festival dedicated to Alta Moda that has just ended in **Milan** in some of the places that symbolize Italian culture and art.

In the convivial moments following the presentations of **Fine Jewelry**, **Alta Moda** and **Fine Tailoring**, Donnafugata proposed its small prestigious productions from unique territories.

At the opening dinner, iconic wines such as *Fragore*, a cru of **Etna** and *Ben Ryé*, a Passito of **Pantelleria** were served; at the following lunches, the focus was on the wines of the **Contessa Entellina Estate**, such as the grillo *SurSur* - recently included in the Top100 of Wine Enthusiast - and the red *Tancredi*, a testimonial of Mediterranean elegance, to finish with the refined *Floramundi*, a Cerasuolo of **Vittoria** with a floral soul.

This **renewed the collaboration** previously inaugurated in July in Sicily on the occasion of the events culminating with the spectacular High Fashion Catwalk Show at the Temple of Concordia in Agrigento.

Sicily, a constant source of inspiration for the fashion house, was thus represented by Donnafugata in all its territories, celebrating a meeting of excellence which makes the treasures of this island known to the world.
