Collection: Dolce&Gabbana and Donnafugata, extraordinary ambassadors of Sicilian culture. When you desire creativity and craftsmanship.

Denomination: Terre Siciliane IGT Rosso.

Grapes: Cabernet Sauvignon, Nero d'Avola, Tannat.

Production area: Donnafugata Contessa Entellina estate and neighboring territories, in the heart of south-western Sicily; the vineyards are on the hills, on mainly clayey soils.

The vintage and 2019 harvest: in the Contessa Entellina estate, in the heart of western Sicily, in 2019 546 mm of rainfall were recorded, compared to the average of 660 mm of this territory. Most of the rainfall was in winter and spring; the summer was quite dry. The integrated management of agronomic practices, from pruning to thinning, to the choice of different harvesting moments, inspired by eco-sustainable viticulture ensured the production of healthy and well-ripened grapes. The harvest began during the second and the third ten days of September.

Vinification and aging: fermentation in stainless steel with maceration on the skins for about 14 days at a temperature of 28-30° C. Aging for 14 months in oak and at least 2 years in bottle before release.

Analytical data: alcohol 13.91 % vol., total acidity: 5.4 g/l., pH: 3.65.

Tasting notes: with an intense ruby red color; Tancredi 2019 combines notes of ripe red fruit -black cherry and plums- followed by delicate spicy hints, cacao and sweet tobacco. On the palate it unfolds all its enveloping and plentiful personality with perfectly integrated tannins; it ends with a long and elegant persistence.

Aging potential: to be enjoyed now; if well preserved, its longevity goes beyond 20 years.

Food & Wine: Tancredi goes perfectly with red meat and game; recommendable also the pairing with tuna or oily fish. It can be uncorked at the moment if served in large glasses, with a wide mouth and good height. Excellent at 18 °C (64° F).

Dialogue with creativity: the name Tancredi recalls one of the protagonists of the Leopard, an inexhaustible source of inspiration also for Dolce&Gabbana; in the novel and in the film of the same name, Tancredi is the favorite nephew of the Prince of Salina, precisely because of his charm and ability to adapt to changes. With a passionate and irrefutably Sicilian character, Tancredi was born in 1990 from an innovative blend for that era of a native grape variety with an international one.

Dolce&Gabbana has created the coordinated image of this "revolutionary" wine, paying homage precisely to the Leopard, and in particular to the contrast between tradition and modernity that Tancredi summarizes in itself: while gold, blue and lines sinuous of Baroque inspiration celebrate the splendor of the aristocracy now in decline, red, green and pointed geometric figures refer to the new revolutionary values that are emerging in Sicily after the unification of Italy and which prelude to the contemporary history of the island.

First vintage: 1990.
