

DONNAFUGATA, ETNA ROSSO DOC (SICILY, ITALY) "SUL VULCANO" 2016

(\$35, Folio Fine Wine Partners): You can almost smell and taste the lava-infusion soil of Mount Etna in this wine. This mid-weight red packs lots of flavor for its weight. With a lovely firmness, it's a wine that cries for food as opposed to a stand-alone aperitif. Penetrating acidity in the finish amplifies its enjoyment. Try it the next time you grill or roast salmon.
