

# Wine Guy: Women continue long, storied history in wine industry

Donnafugata was founded in Sicily in 1983 by Giacomo and Gabriella Rallo, the fourth generation of a family representing 170 years of winemaking experience. Their daughter José Rallo now serves as CEO. The 2021 “Floramundi” Cerasuolo (\$32), made from frappato and nero d’avolo, is fragrant, revealing floral notes, fresh plum, cherry and a tangy finish.
