

## Donnafugata in Rome for Dolce&Gabbana Alta Moda 2025

The wines born from the partnership between Donnafugata and Dolce&Gabbana were featured at the fashion house's annual event, recently held in the "Eternal City".

Rosa rosé, Isolano white, the red wines Tancredi and Cuordilava, and Bollicina Gold, the refined sparkling rosé that rounded off the collection, were served at exclusive gatherings for guests of Dolce&Gabbana's spectacular Alta Moda, Alta Sartoria and Alta Gioielleria events.

A shared passion for Italy, creativity and artisanal skill unites these two names in Made in Italy, celebrating a distinctive lifestyle in the majestic setting of Rome's most iconic locations, from Via Veneto to Villa Adriana, from the Roman Forum to Castel Sant'Angelo.

"This is the tenth edition of Dolce&Gabbana's Alta Moda events we've taken part in, and since 2020 we've also been there with the wines that are the result of our special collaboration", say José and Antonio Rallo, fifth generation of the Donnafugata family. "We are proud to support Dolce&Gabbana once again in presenting to the world the extraordinary history, creativity and excellence that Italy expresses through both fashion and wine".
